

Hangin' out where I don't belong is nothing new
to me

I get tired, and I get sick, and then I lose the
strength to leave

I can't handle change

I can't handle change

Nothing I do is ever good

Nothing I do is ever good enough

Nothing I do is ever good

Nothing I do is ever good

Nothing I do is ever good enough

Nothing I do is ever good

Leave me alone

Leave me alone

Leave me alone

Leave me alone

I can't help but repeat myself

I know it's not your fault

Still lately, I begin to shake

For no reason at all

For no reason at all

For no reason at all

For no reason at all

For no reason at all
