2018

Tw:Gore

Her name is Tori she had a boyfriend and his name was John they were dating for a while but they would fight all the time then she broke up with him. She had a job she worked at a diner and her boyfriend would ice skate then one day Tori was working as usual and John cut off her head with a ice skate people watched and called the police he was arrested and now she's a ghost and haunts her ex boyfriend but now she's dating a girl
