

Guy's, we NEED to get rid of
@Hutchar00ni_Fan! He being
really rude and mean! He has called
people things that they arn't, like
he was calling @paige_logan is
ugly & Fat which she is not! She
is ~~sooooo~~ beautiful! this
HuchFan guy is just looking to
bring down others because
of his own insecurities, and
paige_logan is just one of his
victims he wants to bring down
with him. but good thing paige
logan is ~~sooo~~ strong, even
through all the struggles in life

she has, she has stayed strong.
and I'm sooo thankful for all yall
who r standing up for her and trying
to help him get banned even tho
its not ur battle to fight and
u could OF just stood back
and watched, but NO! u took
action & helped! AND also a
good thing to note is that its
very easy to hide behind a screen
& say all that stuff, so prob
if he stood face to face with
us, he would not be saying
that stuff. and even if hutch is
saying bad stuff abt u, you
should have self confidence and
know that ur beautiful! love

Yell!
