

1. If a girl is silent, it's dangerous she's either: overthinking, tired of waiting, about to blow up, needs a hug, falling apart, crying inside, all of the above
2. If a girl laughs at even the stupidest things she's lonely deep inside
3. If a girl likes to sleep a lot she's probably sad
4. If a girl speaks less, but speaks fast she keep's secrets
5. If a girl cries she isn't weak
6. If a girl gets angry over silly things it means she needs love
7. If a girl asks you to be left alone she needs you to much at the moment
