

Hi peeps! Today is my first day with this account! I used to have another account but I was unable to post and then I got kicked out of that account and I have been working on making a new account and today is finally here! Let's try to get to 100 followers! If we get to 100 followers I will do a Q&A for you guys but I will not give out any personal information! Also if you want me to try to draw something or post something specific message me in the comments! I will do shoutouts but only if you ask for one!
