Ice-breaking- Helping to initiate conversation and ease tension, making social interactions more comfortable and enjoyable (friendly, approachable, sociable). “Her ice-breaking smile and warm personality made everyone feel at ease during the networking event.”

Ice-capped - Covered in a layer of ice, creating a stunning and unique landscape (frosty, glaciated, frozen). “The ice-capped mountains glistened in the sunlight, creating a breathtaking view for the hikers.”

Iceman-like - Having a demeanor that is calm, cool, and collected, even in the face of high-pressure situations, signifying a strong sense of composure and resilience (unflappable, composed, stoic). “Despite the chaos around him, the iceman-like surgeon remained focused and steady during the emergency operation.”
