

Hey wanna have a convo koi? (It is as our ocs.)

Hi, what we gonna talk about?

Eh, pihhria stuff, man I'm glad darkstalkers gone.

(Oh, it's as if we were our oc's, I get it) cool, wanna go catch a fish?

Yep, man I like cod, but we don't have much

Remember when we were prisoners in queen scarlets palace, so glad queen ruby freed us and now we go to school at jade mountain

Oh... well I, I'm visiting a "friend".

Wait... you have a crush? Who is it 😏

N-no, I am not dealing with this, and I'm visiting winter, as I was ordered to, an NO I AM NOT GAY.

Dang, I thought you were, that would be interesting. I thought you were best friends with winter

I mean outside of orders, yeah we will play the occasional game of chess, but it's an order so yeah.

Ok, do you like anyone wink wink

Umm no, [looks away]

I like that one skywing, dawnbreaker...
