Thank you guys for all the fun i had on here :3 im gonna miss notability so much-both the platform and the community! i literally wouldnt have even known about this if it wasn't for @hellocherry. She single-handedly got me through 8th grade and i will forever be grateful that your in my life<3 and thank you to everyone who supported me throughout 7-8th grade even though my art was literally vile most of the time😭 Love you guys! 🤗
