

I'm going to try to make a Webcomic

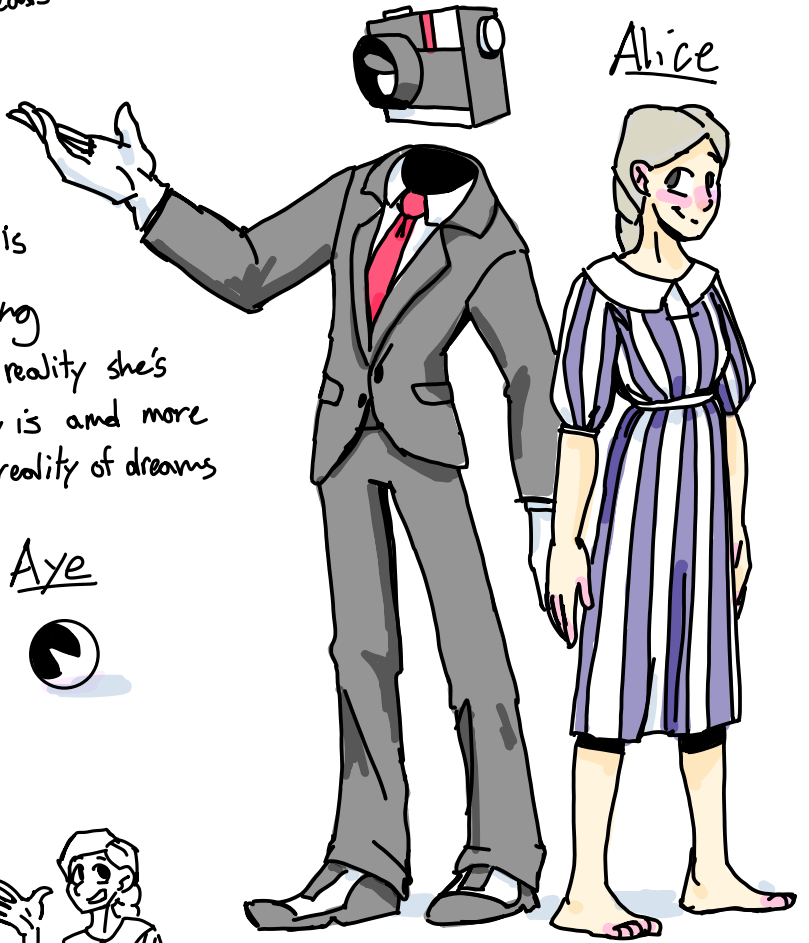

everybody loves object heads in suits

Hewlet

Alice

Trailer:

Alice wakes up in a strange world where gravity is ignored and time is a myth. She is instantly sent on a quest by Hewlet, a charming stranger, and almost immediatly breaks the bizore reality she's landed in. Alice must figure out who Hewlet really is and more importantly, who she is if she is to save the reality of dreams

The Guardian

once I have the first page or so, I will post the link to my website

the Guardian's counterpart give me name suggestions in the comments

Doodles from my "Sophomore Year Doodles" note for this comic tells you how old the idea is
