i love all of you
i love you when you're you

i love *you*.

From the stranger on the internet who loves you :)

(this is for anyone who needs it like I do sometimes and I hope that this helped)
this is not mine but I do mean it pass it on if you want it could really help a lot of
people :)

I love you, Forever. I promise that I will be here for you, you can always come
here and sit with me, or you can talk to me, I promise, I will get back to you. I will

be checking my reply section and you can always vent there if you are in need of doing so, you can also pour your problems on me, I won't mind it.

Daily reminder for introverts. : I love you, drink water, get some sun, eat some things because introverts are house plants. I love you. Don't forget that everyone loves you and that they also care about you, people think about you everyday, so never think if you're not good enough. <3

Daily reminder for extroverts: I love you, Don't forget that you exist, even when someone is ignoring you, you are far more better off taking care of yourself other than crying and pulling yourself down since someone is calling you annoying or a brat. Okay? I love you.

Daily reminder for you. Anyone.: I love you, forever. do not worry about the person calling you annoying, do not worry about the person calling you rude, or harsh, or ugly, or anything negative. your loved dearly, pick up your confidence and make sure you remember your loved. Okay? I love you so much.
