- If you think about everything, it happens for a reason. But people never acknowledged those reasons before the thing that happened.

- We know more about most animals than they know about themselves.

- Even if we all spoke the same language, we wouldn't understand everyone.

- Bluetooth headphones must have made of the life of a pickpocketers stealing smartphones so much easier.

- Being a vegetarian is not about how much vegetables you eat. It's about how much meat you eat.

- You subconsciously block out the sound of your own footsteps.

- Most films stars have never seen the audience react to their work.

- No one knows what the greatest lie ever told was.

- One can have a better life if they don't take life for granted.

- If I weight 99 pounds and eat a pound of nachos, does it mean I am 1% of nachos ?

- If you drop soap, is the soap dirty or is the floor clean ?

- Which orange came first ; the colour or the fruit ?

- If two vegans are arguing ; Is it still considered beef ?

- If you were born deaf, what language are you speaking ?

- If you get out of a shower clean, how does your towel get dirty ?

- If you run at 11pm you are a night person but if you run at 5am you are a morning person, if you run at 3am you are a suspicious person

- It's not fair that coffee stains your teeth brown but milk doesn't stain them white

- Is there a day that everyone blinked at the same time ? If there was then, we have no proof because we couldn't see it.

- Water can freeze you, boil you and drown you to death, but you still need it to survive….

- If money can't buy u happiness, why do people buy happy meals?
- if u stab a cereal box, at u a cereal killer?
