

TW: ED  
Body  
Negativity

"Yeh I developed super early."  
"me too, I got my  in 5th grade!"

"Oh Ya Aha...!"

I got my  when I was 9. I had to wear a training [top] in second grade. Basically hit Puberty in 2<sup>nd</sup>-3<sup>rd</sup> grade. I got an ED in 4<sup>th</sup> grade because I didn't understand how my body worked. I was betrayed by my own body, I was forced to grow up. Legit sobbing because I didn't look right, All before Middle School even started.
