

Have you ever put butter on a Pop Tart?

It's so frickin' good

Have you ever put butter on a Pop Tart?

If you haven't then I think you should

I was sittin' in the kitchen

One day, and I was itchin'

To fill up my belly

With the pipin' hot jelly

Of the best damn treat in the world

He's talkin' Pop Tarts!

And I saw a stick of butter

And it almost made me shudder

And scream like a baby girl

I don't want a giant penis

Or a rocket ship to Venus

I don't want to win the lottery

I just want to squat and gobble

'Til I'm dizzy and I wobble

In a butter, fruit and dough tart dream

So I put butter on a Pop Tart

It was so freakin' good

Have you ever put butter on a Pop Tart?

If you haven't then I think you should

Everybody come along with us!

Have you ever put butter on a...

Pop Tart!

It's so freakin' good

Yeah!

Have you ever put butter on a...

Pop Tart!

If you haven't then I think you should

Pop Tart!

With butter?!
