

## 👉 JOIN THE PARTY 👉

Remix and tag  
me

The one who excessively dances:

The one who is calling someone to pick them up:

The quiet one:

The one who kisses half the people there:

The one who leaves immediately:

The one who is only there for the snacks and drinks:

The one who lays against the wall on their phone and doesn't participate in the party:

Will post  
another  
one soon
