HSA stands for high school for Abnormals. A little thing I started a while ago in my previous account. Basically a school for kids with like weird powers or abilities beyond human comprehension. Or it could just be that they were born with a tail or something. Anything weird or cool you want to put on your new character. It's kind of like the school from Wednesday but I created this waaaaay before that was even thought of. It's also some what a role-play of some sort. But how it will work is I will continue making comics and you might see your OC in one of them. And you can make your own comics too!! It's a interactive thing. Your imagination is the limit. I hope those who have never done this enjoy! And those who have I hope you enjoy it again!
