

Flag football core 🐱👉

I was practicing the reverse handoff with my 2 running backs- so the center (the person in the middle hiking the ball) does this weird thing when she bends down- like her knees go inward but her ankles are still in the right place (im draw a pic of it) so the coach was like talking to us abt the plays and i js turn around and see her positioned like that and i js started laughing so hard i hadda turn away so the coach wont see me but the they noticed so i fully on started laughing and my laugh is really loud ngl 🦴 so i was on the ground and my coah was like "oH? YoU tHiNk tHiS iS fUnNy??" Like no tf 🦴 then she goes "wELL gUesS wHaT, iLl mAke YoU rUn SuIcides iF yoU waNNa DisrEsPect." Dawg hit me w that "this will show em 🤔🙏" and the girl with the spaghetti legs already knew why i was laughing so she started laughing and the coach made us run 10 laps around the track (i hid in the bathroom after like 2 laps even tho it ws my fault 🦴🙏)
