

 @Sjordan

I have to turn in my iPad in 5 minutes. I have loved my time on the gallery and I hope you have all enjoyed my half decent drawings of frogs. I still can't believe I reached 200+ followers. Thank you everyone. I will miss all of you. Although I will keep the app on my phone, I can't really draw on there so this is my last post. To everyone on the gallery, Thank you and farewell.
