Leeven POV

Mars stood up and cracked his neck and glanced around.

“We ready to go? I feel like we’re being watched.” He mumbled.

“Pft, your funny.” Leeven said with a smile. “I would know if we’re being watched.”

“How?”

“The trees? Duuuuuuhhhh!” Leeven said extending his arms. He listened closely and smiled. “See, everything is completely fi—.”

“*RUN! GET OUT!*” The tree’s yelled to him.

Leeven’s eyes widened as an arrow shot past his face.

“RUN!”
