

out view from binoculars
"the house" of Sin Nombre

Slowly moving up
& at them

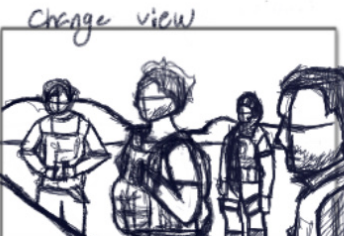

move up & at graves,
Soap & Alejandro slowly

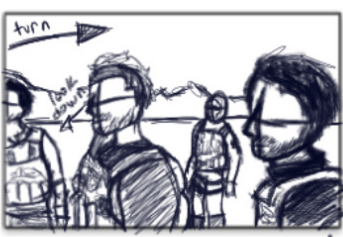

Still slowly go up and
start zooming in as ghost
comes in view.

Still continue same movement

Graves holds the thing,
Zoom in close

Zoom in showing half
Graves's body then turn
right

Zoom & move to only
Soap, ghost & Alejandro

Changes to over the
shoulder of ghost view

Camera moves right
following Graves

Still turn right having
Alejandro & Graves

zoom in having Alejandro
covering graves by moving right
