

I was playing Welcome to Bloxburg and in the chat is this girl going “ABC FOR BaE” literally SPAMMING IT. and so I’m like, take a hint no one likes you. Which was probably rude and not needed but I was so annoyed. And she’s like I wasn’t talking to you. WHO WERE U TALKING TO THEN?! I was literally about to snap back but she left. BUT IDK Y THIS DROVE ME CRAY CRAY. DOES THIS HAPPEN TO ANYONE ELSE?!?!?!?!?
