

Ik no one asked but I'm bored so ima tell y'all about my day, so I went to school (duuuhhh) then I got home then my parents dropped me off at my bf soccer game, I went with one of my friends (but she was on the field because she takes photos for the team). They won!! Then my bf went to the bleachers with me and we watched the varsity game ( he's junior varsity) then we were playing around the whole time it was really funnn, then like at 9 my friends parents picked me and her up and they dropped me off at home and yeah that's it 🤪🤪 and I, really tired I should probably go to sleep 😞😞😞
