

Hello peace makers!

The incident with the dead dog and the bullying has been cleared up and this “ban war” (look y’all call it that not me) is over.

Thank you all peace makers for attending and stopping the bullying. I appreciate all of you! Especially you @r0\_yal. You were the one that mainly stopped the bullying.

Hello everyone!!!

The haunted house yesterday (well it’s not a house it’s a prison) was very fun! Y’all really should visit the eastern state penitentiary at Halloween ! Like the actors were awesome and the sets were SOO SPOOKY! I don’t know but they really did an outstanding job 🍂.

If I were to rate it 1/10 I would say a strait 10 for the scariness and the actors.
