

So I said at 100 followers I would tell you guys about my crush and I got 103!!! I promised and I keep my promises. So his nickname is Curly Fry bc he has sorta curly blonde hair. I say sorta bc some of it is straight and the other parts are curly. He's 5'3 and only the basketball team. He's 1 or 2 years old than me. What's sad tho is that I'm taller than him by half an inch 😭. Don't get me wrong I love my short kings but I want him to be taller than me so I can be the little spoon. ANYWAY he sorta knows who I am and I'm a little scared to ask him to be my valentine. He's in the same squad and seminar as two of my friends. Also I've liked him since last year. One of my friends think it's fate bc his mom works with my mom, his dad went to school with my dad, and my GRANDMA knows his dad. He's cute, adorable, fine, and when I see him I almost melt 😊. He knows my fav color too (All blues especially light blues especially baby blue) bc he was walking right behind me as I was telling my friend what my fav color was and he heard. So the next day he wore his baby blue hoodie to school. He's worn it more times than I can count. At this point I just call it "THE hoodie". Btw I was planning on making him a card and a bracelet with his fav 2 colors and his initials. What do you think? Let me know in the comments!
