

**example:**

**-Roles are on the last page.**

**-Names can be anything.**

**-Your O.C can look like anything.**

**-Keep clothing casual.**

**-Draw your character in black or white. If you do color then I can just switch it for you when making the comic.**

**-Your O.C's age should range from early twenties to late thirties. (Old enough to have professional jobs.)**

**-Keep the fun facts realistic, you can make them weird and strange but just remember that we need them to be acting similar to real people.**
