

For the ppl who watch or
watched Lizzie McGuire u
know how she always falls
well I think I'm like her

Kay so as u
probably know by
know I fall LIKE A
LOT. But I hadn't
had an accident of
falling in like 4
months so all is
well t hen today at
lunch my friend is
like COME ON

LEANNE LETS GO I
WANNA GET
FOOD IM HUNGRY.

So she's

speedwalking and

I'm running to

catch up to her

then there's these

crack in the

sidewalk I SWEAR

THERE WAS
NEVER A CRACK
UNTIL TODAY so
anyways I fall
headfirst my
backpack went
over my head, I
skimmmed my knee
and my lower part
of my hip and my

hand btw I
skimmmed my knee
and my hip on
different legs so it
hurts to walk on
both of them 🥲 I
also have martial
arts today anyways
my friend doesn't
realize until like 5

minutes after I fell
and she's like OMG
LEANNE ARE U
OKAY then she
helps me up and
starts LAUGHING
IM LIKE BE
QUIETTTT then we
go into the like mpr
and it like has an

echo and she's like
LEANNE THATS SO
EMBARRASSING
SO DAMN LOUD
 if anyone asks I
FAINTED MKAY
