

Guys help... so I have a dance for 7th and 8th graders at my school on Friday. So today my mom took me dress shopping at Del Amo. Anyways, we go to so many stores like macys, winser or whatever it's called, Nordstrom, forever 21. So I like pretty small and short for my age, I'm like 4'11 and you know rly small. So I found so many dresses I rly loved but none of them fit me. And all the people that worked at the stores were whispering to my mom how I'm so small and stuff, like rly we've already spent like 3 hrs at the mall, just help me find a dress!! I'm just so upset because I rly wanna go but if I can't find a dress...
