

A wings of fire character:headstrong

Name:headstrong

Tribe:rainwing

Gender:male

Colors:as with all rain wings they change colors but main colors are green and brown

Abilities:can change colors shoot a deadly venom from his fangs but he's special in the sense it effects non living things and living things so he could melt metal.

Introduction:he's pretty lazy like most rainwings but he also is a good fighter and really tough he doesn't take orders well at all and fights with glory a lot but when he meets Scorpio and the gang he starts doing things nobody expected he stopped being lazy and trained even more to protect his friends from anything that might try to hurt them like the approaching threat that just looms on the horizon.
