

(Sorry axle)

@unbrokentime ...

I don't ship it, he gives
me bad vibes 😞

this was not meant to violate,
how this comes across is how
you interpret the message

-I wanted to give my close friend
a heads up on how I felt about
him and clearly I was right...

he's already trying to move on to @ace-wolf

-take this into consideration-

- no intention of violation

- received negative response back stating
he is "worthless" from me saying I got a strange
gut feeling to get @unbrokentime to "feel bad"
which obviously worked in a sense because now she's
in a position where she can't pull back if she
is uncomfortable at all.

I'm sorry
if i didn't
understand,
but i would
understand
if i were
you

Lexaaa, just because
they "give you" bad
vibes, don't mean you
can't be respectful
