

Ok guys, I realize no one has done my #songsandfeels challenge 😞. If you want to the deadline is december 23rd. Here are the rules again. I want you to pick your favorite song, listen to the last 25 seconds of it, and draw what you feel. On your masterpiece use the tag #songsandfeels and post it. I will than choose the one I like the best. Also please include the song somewhere on your masterpiece. Thank you, and good luck.
