

so this is a very very very meaningful post/note.

omg wth 😊 did i actually reach 50 followers?!?!?! wth omg tysm all of yall like omg u dunno how GLAD i am like omg. ty for all of the support 😊 like im so freaking grateful for all of these follows like tysmmmm ill tag all of you in this note but this is basically me talking about my followers.....

so if you didn't know i actually do NOT know how to draw 😊 so idk how those likes got in there like but ty for 50 followers. idc if anyone thinks that it's a little but for me, its SO much. i rly rly RLY appreciate all the love that you guys give mee and the comments like it makes my day 😊 so ty for that

so especially the popular artists that have followed me, i generally feel like i actually belong on this platform, which means that i feel happy to be here. this helped me so much on life problems like im taking this rly RLY seriously js looking at my follows and finding 50 special, unique people following me. so yh i feel rly grateful and ty all sm..
