I made a Kahoot for the people running for VP. No one really voted for anyone running, so I just made the Kahoot.

The problem is, the note that I posted with the link isn't getting approved... BUT! I found a way to get to it without the link! So what you gotta do is go to the Kahoot app. Then click "Discover" on the left side.

Then search up "KotLC Test".

Scroll down for a little until you see a title that says "KotLC Test" made by "Amelie_thebest" (yes I know. I just like this username for some reason lol)

Please only play once! And tell me how many you got wrong in the comments. Anyone not running for VP can still play the Kahoot!
