

Wonder If She Loves Me by JVKE Lyrics

She loves me
She loves me not
She loves me
She loves me not (oh, oh, oh, ohh)
Uh, why do I overthink everything?
Wonder if she loves me, loves me not
Overthinking us 'til after dark
Baby, go ahead and break my heart
And watch me fall apart
Wonder if she loves me, loves me not
Petals on a rose, our time is up
Honestly, I hope it breaks your heart
To watch me fall apart
I been stuck in my house for a week
Tryna be strong but these feelings got me weak
I thought I had it in me not to check up on your profile
But then I scrolled down
That's when I saw that new boy all up in your comments
Knew y'all were talkin' I felt it in my stomach
I guess I did it to myself, I'm self destructive
My habits toxic, now I
Wonder if she loves me, loves me not
Overthinking us 'til after dark
Baby, go ahead and break my heart
And watch me fall apart
Wonder if she loves me, loves me not
Petals on a rose, our time is up
Honestly, I hope it breaks your heart
To watch me fall apart
Does she love me? Does she love me not?
Does she love me? Does she love me not?
Does she love me? Does she love me not?
Ohh, now watch me fall apart
Does she love me? Does she love me not?
I'm in my head, I'm overthinking everything we got
I'm getting cynical with every thought
Like was it ever really real or were your fingers crossed?
Now I wonder if she loves me loves me not
Petals on a rose, our time is up
Honestly, I hope it breaks your heart
To watch me fall apart
Wonder if she loves me, loves me not (yeah)
Overthinking us 'til after dark (ooh)
Baby, go ahead and break my heart

And watch me fall apart
Wonder if she loves me, loves me not
Petals on a rose, our time is up
Honestly, I hope it breaks your heart
To watch me fall apart
