The Worst Day Ever! By me

Today was the worst day ever! First, when I got to school I forgot to bring my homework. So when my teacher asked me for my homework I said " Oh, um my mom threw it away." Like what was I thinking she wont believe that! Next, I forgot we had a test today and I forgot to study! So when she handed out the tests and i said "oh my gosh I'm cooked!" Then, at lunch I sat down with my friends and one of them said " We don't want you at our table anymore because you are just to weird." When I heard that i was crashing out inside. But after that I spilled my milk all over my pants. So I had to go to the nurses office and my crush was there and he said " Eww did you pee your pants!?" And I was so embarrassed. Last, when we were going on the busses I got onto the wrong bus again it was so awkward. Then I eventually got home luckily.
