

a bottle of water

Staying hydrated helps you focus and drinking water is good for you.

Your l-pad / computer

You obviously need these in case you need to do an assignment

A blanket

I like keeping a blanket with me when I study.

IDK its kinda weird but

I like being cozy OK?!

SNACK

a snack helps

keep ur brain

alive and awake.

If you study on a

empty stomach u

probably won't stay as focused.

✧ LIGHTING ✧

Sometimes lights

can completely change

the atmosphere of where

you are and it feels

much more relaxing too!

Your Pencil case

You might need to write or highlight

So its best if you keep it near you.

Earbuds / headphones

listening to some chill music

helps me focus while im studying

So yea.

Your Pet / study

buddy 

My cat was sleeping

on my bed while I

was studying and I

just felt so much better

with him so yea

Study with ur pet!
