my only hope (girl) left my class bc she said she would be suicidal if she in my class and me and my bestie, well we aren't in the same class so

I'm stuck with these 4 b@st@rds in my class (they are all male bc the girls aren't my type of ppl I talk) (like I was bff with my bff for already 5 years! And my other bff 6yrs!)

And previously she is shipping me with one of the boys that are the the 4 b@st@rds (Let's call him bob/ it's not his name)

So, she set a WHOLE FREAKING PLAN (with a close friend I think of bob)SO LIKE THAT I would dance with him at prom

basically, I have a school trip and there is going to be prom 💮 (There's 4 classes)

I'm kinda freaking out

like my bestie paid me 5 bucks so I say yes.. But like I DONT WANT TO Like- idk

He's ugly af But like I gotta see how he dresses that day (bc he dress up not in my style) idk

EEEKKKK

I don't wanna make him sad by saying no.. But I'm tired of ppl either dumping me or cheating on me.. (I never got into a good relationship) Plus I trust him but if he break the trust then nawh huh Ain't no way..

Eekkkk (scroll down)

So wait, what do I do?

I already have a crush on a guy I met a year ago bc of my other friend when we were going to Italy... I mean I've got his number but we rarely speak.. and he's so tall 💀 He's also ripped..

Anyways, all the prom dress doesn't suit me 🎲 Black doesn't suit me I mean like I might even just sit in the corner there.. idk (Btw Memoji face reveal at 100 followers!)

sighs Ima just wear my jeans, a basic t-shirt and my Air Force 1 black.. Like today.. idk What should I wear.. T-T

The only clothes I have are jeans basics T-shirt and Air Force 1 black T-T

I got grounded so like I'm poor (my parents took all my precious saved money) I'm broke...

I don't wanna break bob's heart if he actually likes me..

Like last time someone was obsessed with me and then just cheated on me ... I mean I'm ugly (and it's true don't try to convince that I'm pretty)

Idk help..
