

Type “your honor, I swear my client didn’t” and let auto correct finish it (REMIX THIS DONT DO IT IN THE COMMENTS)

“Your honor, I swear my client didn’t know what I was doing and I was going to do it anyway and I was just going to do it myself and I was just trying to get the right person to do it and I was just like you know what I was going to do it again and I was like I was going to do it and I was just like I was just gonna do it and I was going to do it and I was just going to do it and I was just like that and I was just trying to do it and I was just trying to get it out of the moment and I was like I was like I was like oh my goodness I was like I was just trying to get out of the house.”

“Your honor, i swear my client didn’t have any problems with the lion but he still had to make it big and he had went down there for the king of pop to do it so he could have been in the church and that he had to do a little sister and Dorothy had went into his house so he had to get down to see her but if they were going on it then please tell him to come over and help me out trust him I know he’s not going to love her he loves me and him and I love everything about you so much love and him and I appreciate you and me and him were talking about you guys too and he had to so please let him go. @jamilex29

“Your honor, I swear my client didn’t know how much you guys love me so I will be there to give him the money and I am not a good friend of mine is that what I want you guys to know about this and you know what I’m saying I will do it and you will do whatever I need and you know that I’m going with him I know I know that you know that you know that you are a lot better and I’m just gonna say I will do that for him to me I love him to you and you guys and you guys have an awesome night sleep tight I hope that I will see him to the best thing is I will see him in a little while I know you know I will see him in a lot more love to see him to me too and you know I know you too I hope that makes my life and you know I hope that you’re doing well. @mr-dragon
