Outside of work:

Why don't I like Angel Dust?

Well, I don't like him for multiple reasons. First, he blames everything on his job. He expresses that he doesn't like his job. At all. Yet still continues to show it off. Why would you expose yourself outside of work? Plus, he's outside of work most of the time he does this stuff, like make weird jokes, stuff like that. I also want to mention that the other characters get somewhat uncomfortable when he makes these jokes. Like- why? Why would you do that? You don't like your job, yet you still exploit yourself like that? Doesn't make sense at all. I also want to mention the fact that everyone is down there for a reason. So, it's not just him that is down there suffering. It's other people too. Inside the hotel, outside the hotel, everyone. There is probably some demon suffering more than him, so I'm pretty tired of hearing stuff like "Angel doesn't deserve this" or "I feel so bad for Angel". He put this on himself, he should've known better. Especially if he's bragging about it and exploiting it, etc. Like- your out of work, drop the act. I also want to round back to the weird jokes. He makes all these jokes and then when confronted about it, he blames it on his job. Saying that it's an act, blah, blah. **DROP IT. DROP THE ACT YOU'RE OUTSIDE OF WORK. YOU DON'T NEED TO DO THIS. NO ONE WANTS YOU TO.**

What is this drawing?

Did I strip his personality from him? Yes. Do I care? No. I made him so that he's only his "act" inside his job. So that it shows how much he doesn't like it. Also, outside of work he gets uncomfortable if anyone mentions his job, or something similar to it. He also doesn't **HARASS THE OTHER CHARACTERS**. I don't know why he does that, and it's pretty obvious that the other characters are uncomfortable with it. Anyway, he's at the hotel for a reason. He's trying to improve himself. Also idk why I changed his species, I just didn't like him as a spider
