

♥ Aesthetics page/  
stickers/ borders/ ♥  
anything planner  
related

Hey y'all! I was thinking of making a page (most likely more lol) of stickers, collages, borders, page breakers, and just anything planner related! I'm taking requests on different aesthetics too! I will also do aesthetics that are not too well known to boost their popularity and love. So if you guys have any requests or ideas, lemme know! <3
