

pov: u start listening to girl in red so that if someone asks u if u listen to girl in red u can say yes and actually mean it instead of only saying yes because of the code but u actually like the music too so it's a win win

anyways question of the day if u listen to girl in red what's ur favorite song by her and if u don't then what's ur favorite artist and favorite song by them?

mines girls hehe

but my favorite song song if freeze your brain because yES
