

“Teruhashi is 2 full of herself!”

Me if I was canonically the most beautiful girl, god’s favorite, everyone worshipped and was in love with me, based off of the creator’s wife, (aka bro views wife as perfect) etc.

Literally everything she says is fact, it’s not even “egocentric” because she literally has a visible aura and everything to show that she’s randomly unrealistically perfect 🦴 ngl she would be more annoying if she didn’t know she was perfect “H-Huh? I’m pretty? You think so? I didn’t notice people drooling @ all!”
