

got my throwing speed measured
baseball!

the last time i did this,
i was 13 (15 now), and i threw
like 59. (mpH)
(or 95 kph)
**(THAT'S SO SLOW, I
WAS TRULY A
WEAK, PATHETIC
CHILD)**

i can't wait to get the
results emailed >:)

(for people who know baseball stuff)
or literally anyone (nah not comment bait
at all!)

- how fast do you think i threw today? •
if anyone actually guesses, i'll update
when i get the results
