

**Tears that fall from dreary eyes  
Le chagrin ne finit jamais.**

**Laughs are made for masking cries  
Le chagrin ne finit jamais.**

**Every cut to drown despair  
Le chagrin ne finit jamais.**

**Yet still you feel it everywhere  
Le chagrin ne finit jamais.**

**These horrors that lie deep within  
Le chagrin ne finit jamais.**

**Fearing every choice is a sin  
Le chagrin ne finit jamais.**

**Atrocities beyond all we've known  
Le chagrin ne finit jamais.**

**A cheerful voice with a desperate tone  
Le chagrin ne finit jamais.**

**Every desperate cry ignored  
Le chagrin ne finit jamais.**

**Until it is too late.**
