

Ok, guys so let's hear about my bf! His name is Ethan, and goes to UF 4 college. Personally, I hate the college he goes to bc I'm a TN fan! I 🍷 the lady volunteers (which u have prob heard me talk abt before) So yeah, he is a major gator fan. He has very cute brown hair and I 🍷 him. I'm trying to convince my roommate (bestie- Chloe-@taylorswift-13) that she should ask her crush out cuz he won't ask her. In my opinion, I think both her, and her crush LOVE each other but r 2 scared about what the other person will think. Ethan and I have been together 4, 2 years and I hope it stays that way, and maybe go further! I rly hope that Chloe finds the love of her life like I found mine! Ethan and I have our 3 year anniversary on July 23rd. I can't wait! I love my bf and I hope it stays how it is now! Let me know in the comments if u would rather me talk about my bf or the annoying girl.
