Hey people. Im gonna be leaving for a couple days till I get a new iPad so I hope I can remember my account info. Please go follow my other account, it's in the description and it's the title just in case. Hope I can come back eventually. I'll be joining the notability discord at some point so I'll see you there if you join that. My username would be RedBleedingBult or Lady Red, satanic ram.

Seeya soon! (Maybe)
