“Claudia, it’s past midnight. Come on,” Liam said, knocking on my door. “You- Liam.. just leave her be.. I don’t think she wants to talk. Anyway, let’s go talk in the room..” “I actually have someone for you 2 to meet, if Claudia came out, okay. So here, I’ll just show you, since Claudia won’t come out.” Liam said, walking away from the door. I then immediately came out, “Who?!” I said, from the door. “Claudia!” Neo said, running back, hugging me. “Why did you leave?!” Neo said. “Reasons., sorry Neo.” I said, patting Neo. Neo backed up, then went back to hugging Liams leg. “Hehehe, anyway who r we meeting, pookie?” Neo asked. “so, come on.” Liam said, brining us into the back stage. “This is Briar.” Liam said, pointing to the brown haired clown. “heyyy” Briar said, waving. “So, Briar, this is Claudia and Neo.” Liam pointed to the both of us. “Hey, the names Claudia.” I said, walking away back to my room. “Then I guess your Neo.” Briar pointed to Neo. “I mean why the heck are you hugging Liam’s legs..-“ Briar questioned. Neo just straight up jumped up, looking a bit embarrassed. “I uhm- Uh. No reason?? 🙄” “A..Alright.” Anyway, I just went back to my room, looked up at the picture of someone. I had (sneak peak>????) and just cried. I missed Them. No, it wasn’t Brielle, nor my family. “Missed me?”
