

Alright we need to choose our leader and get a team logo. I honestly think know a good logo for our team, @MonkeybearQueen's Haku drawing. Also let's start voting for our team leader soon!

Ngl, I think Axle would be a good leader. He seems to be the only one who actually started any conversation in this team (from what I know)

-Void :)

All the Dragons:

- notera
- kittencat
- amelie_thegreatest
- beansandtoast
- baseballhusky555
- voiddoesart
- mynameiszebrathatszebrawithaZ
- annagraceb
- one_axolotl
- axle_the_artist

If Axle is the leader, can i be co-leader? (Also chandler_rankin is a Dragon too.)
