Me, His friend and him were in a bus in it was very full and we could barely stand and then i couldnt hold on anything to not fal and his friend 🍌 said: hold on 🍪, he likes to cuddle with you right? 😳
😳😳😳 DO YOU (ESPECIALLY THE BOYS OUT THERE HAVE ANY IDEA WHAT THIS COULD MEAN???)

After christmas break our bus is driving another than normal so i had to get on bus and then take the next and i decided to wait for the next bus at 🍪 stop and he was like: Why are you standing here? Oh you have to take the next bus!
