yeaaaaaaaa I'm deciding to ✨push back✨ my name reveal and do it later 😏 when more ppl join the chat they will see my name but the public reveal will be...later cuz I'm idk why I've never been conscious of my name but now since some other people have revealed their names and stuff...idk my name just seems kinda weird...so I wanna do a fun ✨activity✨ before I reveal it, and for me to reveal it at least 10 people just take part in the activity! See ya soon 😏

ik u guys are gonna be mad at me so I'll just go and hide now inside my hut👉 🛖
