

Bro today in first aid elective i ws laughing so hard that i like bent over close to the ground where my backpack ws 🦴 🙏. Bro my hair got stuck in one of the zippers of my backpack and when i tried to sit straight.. dawg- it YANKED the sh outta me. Worst thing too. It wasnt like the strands of my ponytail. IT WAS THOSE LOOSE THINGS THAT JS COME OUT THROUGHOUT THE DAY 😍 WAYY TOO CLOSE TO MY SCALP. Im so glad none of my hair fell out. 😭 i was practically screaming and @its\_four and one of my other friend were like wheezing next to me 😭 🙏 took me like a minute to untangle it from my zipper cuz i couldnt even see where it was 😊 🕹️. Even when i sat up after all that. They were still laughing. 😭 lowk didnt even crack a smile 2 mins after that cuz i ws so pīssed at my backpack 🦴
