

Every time I come out
I get:

Do you
have a crush
on me?

It's
just a
phase

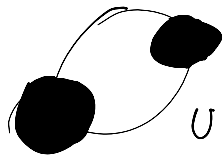

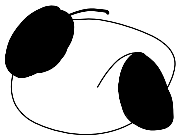

I thought
you were
Mormon

no you're
not

Don't
hit on
me

that's
unnatural

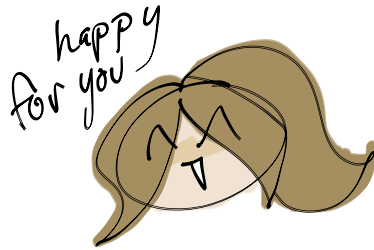

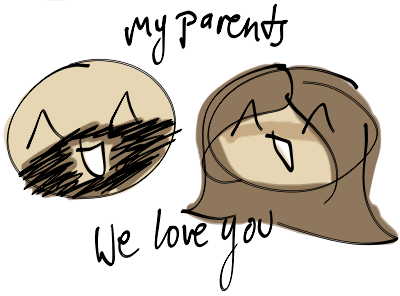

Just because
I'm bi doesn't
mean I like
you!

Yes I
am Mormon,
no, screw
you!

Cut the
shit
people

But then I also
get

Small victories
one day at a time
it gets better
